Respected sir I have a son
Col John Mc Glover regiment Co A Capt Haviland 2d Mass long
was sworn into North East Mo Service by Col Glover when he
first commenced recruiting his regiment in Quincy and before
any Co was organized and has remained in it until
some two or three months ago he came ~~to~~ home
and was taken down with the measles took cold and
came very near dying and while at home his regiment
was sworn into the United States service and mustered
in accordding to Law a few days since Col Glover sent
a letter ordering him back or he would send for him as a
deserter. I accordingly took him back and offered to get a
substitute in his place he said he had no right to do
any such things I then went to your Head Quarters to see
you about the matter it not being your office hours I
was compelled to take the cars and come and then write
to you. The case is this that my son John Wait has not
been examined by a Physician as to his physical qualifications
now sworn in only as above by the Col now mustered into service
and now that his lungs has been so much impaired by his
sickness that I think he is not able to stand the fatigues
of a Soldiers and more than this he says he wont swear into
the United States Service for the reasons above stated and further that
I have just built a large flouring and saw Mill on bear creek
and I need him at home as he can fill a place that I cannot afford
to hire one that can do it in these hard times, I can get one
to fill his place there if he is under any obligations by law
to stay in North East Mo Service into which he has been acting
provided that the substitute can get his pay that John
Wait is entitled to for his services. And now what I want
to know is whether he is bound to stay under the circumstances
above stated or not and if he is bound if I can get

a Substitute in his place [redacted] and how I can do it and if he is not found how I shall proceed to get him away. he (John Watt) is nineteen years old Nov. last if I knew when you would be in Quincy I would go down and see you there if you are going down write me when you answer this and I will meet you there. I have talked with some that was in the Mexican war day that Substitutes were taken there. If you wish any reference you are referred to Harry Woods Gabriel Heath Thomas Payne and W. R. Fore of Marcelline Please to attend to this for me by so doing you will confer a great favour on me which will be reciprocated and will amply reward you for your trouble. With sentiments of high esteem I remain Your Most obedient

Gl. Alexander,

Sir,

Physical debility resulting from a severe attack of typhoid fever, induced me a short time ago to resign my commission as Lieutenant in the 2d Cavalry Regt: M.S.M. Vols. My health and strength are, by the salubrious influence of this climate, fast improving & I trust I shall soon be able to render tolerably good service. I find myself very much dissatisfied out of the Army and intend to reenter it at the first practicable opportunity. Some of my friends have advised me to apply for a commission in the Invalid Corps, which would suit me best, perhaps, at present and if hereafter able for field duty I could be assigned to it.

If at all consistent with the duties of your office, I would most respectfully ask you to send to me, at this place such forms and instructions as are necessary, to enable me to make a successful application.

I have the honor to be

Note 1.

The company commander will here add a statement of the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer or officers of other troops having such knowledge, or of the surgeon in charge of a hospital, the officer commanding detachment of recruits, [illegible]

Note 2. [illegible]

When a probable cure for pension, special care must be taken to state the degree of disability — as 1/4, 1/2, &c.; describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, a professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, a last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination and for disability, the nature, degree, and origin of which are correctly described in the within certificate." Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any chronic disease liable to be feigned or permanently produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will there fill out and sign the surgeon's certificate, and forward one paper to the regimental, detachment, or post commander, who will forward them, with the action endorsed thereon, through the proper channel, to the division commander or, if the troops are not attached to a division, to the corps, department, or other commander to whom the authority to discharge soldiers may be specially delegated.

These certificates after having received the action of the higher authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the action of the proper authority, sign the soldier's discharge, and have the certificate on the paper with that the soldier is to be furnished with the proper final certificate in duplicate, and forward one of these certificates to the Adjutant General (United States Army), at Washington, D.C., but will not make any endorsement or give one to the hands of the soldier.

Note 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or illness of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating distinctly whether the injury was received or the disease contracted in the line of his duty; and whenever the facts will admit, a judgment as to the cause, immediate and remote, of the disability, and the circumstances attending it.

Where the facts are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding detachments of recruits, &c., &c.

Note 2.

Where a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{1}{3}$, &c., &c.; describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, application, or capacity to labor or earn his subsistence; what surgeons will add, from his knowledge of the facts and circumstances, and from the evidence in the case, a professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1220 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are under particular care to all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any chronic disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS

This certificate will be made out in duplicate by the soldier's company commander or some other commissioned officer cognizant of the facts, and delivered to the soldier to be carried and read to him by the surgeon in charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the original and duplicate, and forward the original to the Adjutant General of the army, through the proper channels, in the division commanded by the officer who signed the certificate. The duplicate will be retained by the surgeon in charge of the hospital, or detachment of recruits, &c., &c., for reference, in case of a discharge should be granted.

Every soldier, after having received the notice of the date when his discharge is ordered to be sent, will be entitled to receive from the surgeon in charge of the hospital where he is under treatment, a certificate of the fact, if the discharge is subsequently received. This certificate will be given without charge to the soldier. Before the discharge of the proper authority upon the soldier, it will be the duty of the surgeon who has had the soldier under his care to examine him, and if he finds that the soldier is fit for duty, to certify to that fact in the certificate of disability. Every soldier who is discharged from the service, and every soldier who is transferred to the Invalid Corps, will receive from the Adjutant General's office, Washington, D.C., two (2) certificates of discharge, one of which will be given him by the hands of the soldier.

Sir

On the morning of Oct 20th inst and while the undersigned was Officer commanding the guard at and around Schofield Barracks, St Louis, Mo. roll call of the prisoners incarcerated in said Barracks was had at about 7 O Clock A.M. At said Roll call of prisoners all were present including one T. H. Woodruff, Co. A. 3d Mo. Inf. Roll call of said prisoners was again had at one o'clock P.M. of said Oct 20th when said T. H. Woodruff was absent and his absence unaccounted for. Said Roll calls were had under my own personal Supervision. The said Woodruff Escaped between the hours of 7 A.M. and 1 P.M. of said Oct 20th. The mode of his escape or time when further than as above stated can not be truly ascertained. A prisoner states that he saw said Woodruff scaling the Board fence Enclosing said Barracks. As there were three different Sentinels on guard at the point where the said Woodruff Escaped (according to the statement of said prisoner) between the hours of 7 A.M. and 1 P.M. of said Oct 20th and to such sentinel declares said Woodruff did not occupy said fence during his Beat as sentinel I can not from the relinquency with & clearly upon either ascertain. My belief is that said prisoner escaped by passing through the skylight of said Barracks and dropping from the building while the sentinel was at one end of his beat. The above is all the information I can gain upon said subject after diligent inquiry.

Yours Resp

Major

I beg leave to tender you my immediate and unconditional resignation I am compelled to take this step for the following reasons

1st I find myself in declining health to such an extent as to incapitate me for the proper discharge of my the duties devolving upon me in the position that I now hold and I feel that to remain longer in the service would not only be doing injustice to myself, but also to My country

2d My business at home is in such a condition as to render my presence immediate and absolutely necessary & I will suffer considerable embarrassment and no small pecuniary loss

Hoping that these reasons will be deemed sufficient to induce an acceptance of my resignation and that my course in so doing will be approved

I have the honor to remain

Sir

I have been informed that Lieut Wilkes is here and will return to the Gulf in a few days I write with the intention of sending my letter by him. You no doubt remember that I have often informed you that I intended to resign as soon as possible. This intention I still hold to and hope soon to carry into effect. As you no doubt are aware under existing orders, an officer of the Volunteer Service cannot resign until he has obtained from the Ord Dept: a certificate that he has made all the proper returns and that they are correct, also a certificate from the Aud[itor] of the Treasury, that he is not indebted for any Ord property in pursuance of this order, as early as the 1st Oct. I sent to Washington the ~~only~~ Ord Returns that remained due, and requested the necessary certificates. On

15th Nov. I received a letter from the Old Officer (in answer to my
letter of the 8th Oct. which accompanied my Old Returns)
recommended giving the receipt of my Returns and
not signing them that before I could obtain the required
Certificates, I was necessary that I should make out
a "Final Return" You will remember that on
the 16th Nov the Regt left Little Rock - and I was ordered
to remain as a member of a General Court Martial,
although under orders from the Old Regt. It soon
became impossible for the Company properly, when I
turned over the Command on the 16th Nov, yet before
I can make my Final Returns it is necessary to show
that I have turned over my Old Company Officer appointed
to receive it I therefore most respectfully but urgently
request, that you issue the necessary Orders requiring
the Lieutenant, to receive the property and receipt
for the same, on the day I turned over to him
the Command of the Company (Nov 16/62) and send
me by private Copies of the Orders, in order that they
may accompany my Returns. I have written to the
Field Officers from the Invoices and Receipts. The
impression is based upon an impression I have that
time expires the 16th Nov, and upon my absolute knowledge
